GDS 85, Portfolio

Due: 1/31	Points: 10	Questions: 10	Time Limit: n/a
-----------	------------	---------------	-----------------

Instructions

Please take this brief survey to assist in my curriculum (lesson) and project planning for the semester. I will attempt to weave in articles/readings/guest speakers to correspond to the group's intentions.

I'm looking forward to teaching you the industry standards and best practices in design and the processes involved in becoming a successful professional. We will be building an online portfolio using the projects and previous works that you have already completed.
